

we shall be positive only
in respect of their knowledge
as I do not know, unless
they report on the condition
of the permanent building
which is erected in the
Park & looks to succeed
successfully less the
proposed building will
be of a sufficiently firm
character, as to

being in within the
condition. This was stated
in the June yesterday
if this is the only ground
for the application I should
think is well & referred
I write to the present
Attorney General asking
approval calling his
attention to the information
which I was told by his
Predecessor had been brought
