

Shew. North Allerton - the same result precisely. There  
is no feeling in favor of the project. You will hardly get  
fifty pounds from both Towns. The "abstracts" may  
be sent to Co. J. Jefferson. R. O. Northallerton, who says he  
will call a meeting afterwards, if a good disposition  
should be manifested. The ignorance of the whole  
affair which I meet with is quite wonderful.

at Scarborough, where I shall be on Satur-  
-day morning, I hope to hear from you.

Ever faithfully yours  
Hepworth Dixon.
