

engineer, till we have our and
decided on the Building
Tenders - This delay will be so
much gained for subscriptions,
and a dangerous impediment ~~to~~
extraordinary will be taken
from the Building Committee,
as soon as we know what
term is wanted, a precise guarantee
but should be made out - No one
authorizing more than 2000 £, or

less than 1000 £. His Royal
Highness would probably consent
to head the list - Besides the report
every one would feel for his protest
a accident, it is a serious misfortune
for the Committee not to have his
assurances in the discussion which
are likely to take place in the H. C.
Commons - Surely the Commissioners
M. P.'s take a high line, they will
have much troublesome work. You
afraid - The opposition is chiefly
